Aircraft MSN 714 / D-AHHH, Incident/Accident (Clearance) Statement

Aircraft registration D-AHHH, details of which are specified below, has been operated by Hamburg Airways during the period from 11.06.2014 to 14.01.2015. The aircraft has a valid Certificate of Airworthiness from German LBA as of the date of this statement.

I hereby certify that, during the period stated above:

1. No part has been installed on the aircraft which has been damaged during, or identified as the root cause of, a reportable incident or accident as defined by ICAO;
2. No part has been installed which was subjected to severe stress or heat (such as in a major engine failure, accident, or fire) or has been submersed in salt water;
3. No part has been installed which was obtained from a U.S. Government or military source.
